

Afternoon Tea

Nothing says elegance quite like an indulgent rendezvous
for afternoon tea, served with a heady blend of
bygone glamour, grace and occasion here in the grand
surroundings of Cardiff's old Post Office, opened in 1897
to mark Queen Victoria's Diamond Jubilee.

The Definitive Collection

Where once there were hand-written letters and brown-paper packages, now there are glittering chandeliers and plush leather sofas, the perfect place to enjoy our magnificent tea. With its elegant nod to tradition, celebrating the definitive postage stamps designed to serve the daily needs of the country, this confection perfection is in a class of its own.

"There are few hours in life more agreeable than the hour dedicated to the ceremony known as afternoon tea."
